Settings for Turnitin LTI assignment used for examinations

Step sheet

Create your Turnitin LTI assignment as usual.

Editing Turnitin LTI	
Assignment Settings (Feedback release date)	Assignment due date and availability
 1. Click on the Assignment link 2. On the assignment Dashboard, click on the settings wheel (top-right-hand side) **3.** Edit **Feedback Release Date** 4. Set the other choices as needed. **5. Submit**	 6. Click on the down arrow (contextual menu) 7. Click on **Edit** 8. Edit the **Due date** and/ or the **Date and Time restrictions** **9. Submit**

Use these settings to prevent the marks from showing to the students in clickUP:

- Set the **Feedback Release Date** to a date after your module will be finished. This will prevent students from seeing the exam mark.

- Below **Optional Settings**
  - **Allow submissions after the due date?** Refer to your faculty guidelines on examinations to guide whether you allow late submissions or not.

- **FINALLY, ENSURE THAT YOU ALSO SET UP YOUR GRADE CENTER CORRECTLY.**
