

The test column does not display in the grade center

Read the fine print for this option when setting up your Tests:

4.	Self-assessment Options
	<p><input checked="" type="checkbox"/> Include this Test in Grade Centre Score Calculations</p> <p>Grade Centre items excluded from summary calculations are also excluded from weighting. Also note that if some weighted items are included in calculations and other weighted items are not, grade-weight calculations will be skewed.</p> <p><input type="checkbox"/> Hide Results for this Test Completely from Instructor and the Grade Centre</p> <p>If this option is checked, the instructor will not be able to see any student grades, view answers, aggregate results or download result details. To protect student privacy, this choice cannot be reversed later without deleting all attempts.</p>
