

Add questions to a Test

Explain how it works

The new setting allows instructor to add new questions exactly where they want them on the test canvas page. A new question can be created by clicking on the  sign above or below the question. All the 17 question types can be created from this page.

The screenshot shows the clickUP interface for a test canvas. At the top, there is a navigation bar with the University of Pretoria logo and links for 'ClickUP Home', 'Help Desk', 'Organisations', and 'System Admin'. The main content area displays a list of questions. The first question is 'I don't know'. Below it, there is a red box highlighting the 'ADD QUESTION' button with a plus sign icon. A red arrow points to this button from the right. The list of questions includes:

- 8. **Essay: Anything else: Please list anything else that you wo...** (Points: 10)
